Vice President Hussein Al Sheikh: The Palestinian state will rise with the inevitability of the victory of oppressed and occupied peoples

Ramallah, September 11, 2025 – Vice President of the State of Palestine Hussein Al Sheikh said in a statement that the Palestinian state will rise with the inevitability of the victory of oppressed and occupied peoples and the end of the occupation, and its demise, no matter what extent of tyranny and bullying the occupation acts; its fate is to depart.

He added: “the Palestinian state will rise, whether people like it or not, whether they accept it or not. The shaping of reality through the force and might of militarization will not change the inevitable historical course that the will of peoples for freedom, independence, and the right to self-determination will not be defeated. Neither E1 nor any other occupation measures will prevent the Palestinian people from achieving their legitimate national goals, with the support and backing of brothers and friends around the world.”
