AlSheikh: The announcement of ten thousand new settlement units in Qalandia kills the two-state solution

The Head of the General Authority of Civil Affairs and Fatah Central Committee Member, Minister Hussein AlSheikh, wrote via Twitter on Wednesday: “The announcement of ten thousand settlement units in the Qalandia “Atarot” area is a confirmation of the right-wing settlement approach of this government, it kills the two-state solution and it sets the beginning of an upcoming explosion and minimizes the options.”
