

Al-Sheikh: We decided to boycott the meeting of the Joint Economic Committee

After the decision of the Israeli government to accelerate the stages of settlement growth in the West Bank, and to authorize its Minister of Finance, Smotrich, to ratify this.

We decided to boycott the meeting of the Joint Economic Committee JEC between the two parties, which was scheduled to be held tomorrow.

The Palestinian leadership will study a number of other measures and decisions for implementation related to the relationship with Israel.
