

PLO Secretary-General slams statements of Israel's Smotrich for the displacement of Palestinians as state terrorism

Secretary General of the Executive Committee of the PLO, Hussein AlSheikh, slammed the statements of Israeli Finance Minister Bezalel Smotrich about the displacement of Palestinians as state terrorism, a racist call, and legislation for killing and destruction.

Far-right Israeli Finance Minister Bezalel Smotrich said on X that the “voluntary migration” of Palestinians in Gaza is the “right humanitarian solution” for the besieged Strip.
