Al-Sheikh met with His Excellency Ambassador Michel Rentenaar

Today, I met with His Excellency Ambassador Michel Rentenaar.

On the fourth day of the humanitarian truce, forty-nine days after the brutal Israeli aggression in the Gaza Strip, and in light of the continuation and escalation of the stifling practices and occupation violations of the rights of the Palestinian people in all their places of existence , we discussed the recent developments in the Gaza Strip and the West Bank, as ways to confront the Israeli repressive practices in the West Bank, and ending the war in the Gaza Strip.

We have also discussed the important and effective role of the Kingdom of the Netherlands in establishing and implementing the two-state solution on the ground, and establishing an independent Palestinian state on the 1967 borders with East Jerusalem as its capital.
